

### **We Will;**

- We move trees!! 98% success!
- We will supply large and small trees for landscape work F.O.B. our farm or will deliver and plant as required.
- We will contract dig and move your trees!
- We will contract dig your trees and put them into steel baskets with burlap liners to be moved to a different location.
- We will contract dig holes for **you** to plant trees you wish to purchase or have already purchased from others.

### **We Will Not;**

- We **do not** plant trees you purchased from others! We are unprepared to assume responsibility for someone else's trees!!
