

Dear Ted

I have to tell you how happy and relieved I was to find you sold the Lifetime Tree Stands. My husband and I bought one in 1990 when we first married and we have used it every Christmas since. I always worried what we would do if it ever wore out because I haven't seen them sold anywhere, until we came to your tree farm. They are simply THE BEST tree stand ever! I will never buy any other tree stand, because once you've owned a Lifetime stand you'll never go back. Thank you so much for carrying these for your customers. I can rest easy knowing if I need another you have them; however, this will be Christmas number 22 and it's still going strong.

Thanks,

D. Armstrong
